Message from the Principal

New Adventure Begins at Norma Butler Bossard Elementary!

Dear Norma Butler Bossard Elementary Families,

It is with immense excitement and honor that I introduce myself as your new principal, Vanessa Sanguily. I could not be more thrilled to join this vibrant community. I am deeply committed to fostering an environment where every student feels valued, inspired, and empowered to reach their full potential.

As we look ahead to an incredible year, I am excited to announce our school-wide theme for the upcoming academic year: “Un-Bee-lievable World Adventures: Learning, Growing, and Connecting Our Hive!”

This theme is inspired by our beloved bee mascot and embodies everything we hope for our students. Just as busy bees journey from flower to flower, collecting nectar and pollinating, our students will embark on an un-bee-lievable adventure of learning and discovery. We will explore new ideas, uncover fascinating cultures from around the world, and connect with each other in meaningful ways, growing together as one strong hive.

My vision for Norma Butler Bossard Elementary is a place where curiosity is sparked, imaginations soar, and every child feels they belong. Together, we will cultivate a nurturing and challenging environment where students can thrive.

I truly bee-lieve that by working hand-in-hand – students, staff, and families – we can make this an extraordinary year filled with incredible achievements and joyful memories.

I look forward to meeting many of you in the coming weeks and months. Please know that my door is always open, and I welcome your partnership as we begin this exciting new chapter together.

Warmly,

Vanessa Sanguily

Principal

Biography of Norma Butler Bossard

Norma Butler Bossard was born on May 25, 1939 in Washington, D.C. She was the daughter of Irene and Andrew Butler, Sr. and she attended D.C. Public Schools and then graduated from D.C. Teachers' College in 1961. Norma later earned a Master's Degree from the University of Miami. She spent her first years out of college teaching in D.C. Public Schools. Then she spent the next 18 years teaching elementary school in Tehran, Iran, La Paz, Bolivia, and Caracas, Venezuela, where she was the elementary school principal. In addition, she taught in Hong Kong International School and in Miami, Florida. In the early 1980s, Norma briefly taught at a private school in Miami before entering the Miami-Dade County Public School System. She was once quoted as saying, "the global experience allowed me to learn new ideas and to shift gears quickly…it kept me stimulated."

With over 20 years of teaching experience, Norma quickly climbed the ranks in Miami-Dade County Public Schools, and by 1993 she became the Executive Director of Language Arts/Reading, where her talents were applauded. As a result, she became District Director of Language Arts/Reading for the Miami-Dade County School District. Norma had a great love for poetry and other literary genre. "She is a Mistress of the Word," quotes Sabrina Walters of the Miami Herald. One of her favorite books was Patricia Polacco's, *Pink and Say*.

Norma Butler Bossard was the 1996-1997 President of the Organization of Teacher Educators in Reading. She received the Administrator of the Year Award from Phi Delta Kappa, was named the Administrator of the Year by the Miami-Dade Reading Council, and was honored as the University of Miami School of Education Distinguished Alumnus of the Year. She has also been featured in The Miami Herald.

Ms. Bossard's wish was to place a "Book in Every Child's Hand". To celebrate her dedication to this goal, donations of new books were accepted by the Dade Reading Council (DRC) and the Dade County Council of Teachers of English (DCCTE) from book publishers, teachers, principals, parents, and Writing Institute participants. The books became part of hospital libraries that have been placed in the Oncology Center at Miami Children's Hospital, the Pediatric Spinal Rehabilitation Center at Jackson Memorial Hospital, and the Pediatric Oncology Center at Baptist Hospital. Reading has provided an outlet to help children take an incredible journey into fantasy to relieve them of their pain and suffering.

Norma Butler Bossard left such a tremendous impact on how teachers teach reading and language arts that countless community members came together to make her vision a legacy. She loved people with such enthusiasm that you couldn't help feeling better about yourself around her.

Even more than a "Book in Every Child's Hand," she put the joy of reading in every child.

Academic Programs – Student Progression Plan (SPP), School Board Policy 5410
Provides guidance to teachers, school and district administrators, parents, and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next,

kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statues, State Board of Education Rules, and Policies established by The School Board of Miami-Dade County.

Alumni305 – Did you attend a Miami-Dade County public school during your K-12 education? If yes, we want you to be part of Alumni305, a new way to connect with your former classmates and support your alma mater. Visit mdcpsalumni.dadeschools.net and sign up.

Attendance

Student attendance is a means of improving student performance and is critical in raising student achievement. Together, the staff of Miami-Dade County Public Schools, students, parents and the community must make every effort to lessen the loss of instructional time to students.

Absences

Anytime a student returns to school after an absence, a note **MUST** be submitted from home and given to his/her homeroom teacher or emailed to attendance0125@dadeschools.net; otherwise, the absence is marked **unexcused**. Excused absences include illness of the student, death in the family, school sponsored event, religious holiday, court appearance, subpoena by law enforcement, or other absences beyond the control of the parent or student (approved by the principal). Students will have three days for every **excused** absence to make up the work. **Students accumulating more than 10 excused absences during the school year MUST provide official documentation for all future absences to be considered excused.** All subsequent absences beyond the 10 will be unexcused without official documentation. Five (5) or more unexcused absences will warrant a formal meeting with a school administrator, a student services representative (counselor), and/or the School Attendance Review Committee as per the Miami-Dade County Truancy Intervention Program. Ten or more unexcused absences in an annual school year may result in retention. Assignments missed because of an unexcused absence will not be allowed to be made-up and will result in a failing grade.

Excused School and Class Absences and Tardies

1. Student illness: Students missing 3 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider in order to receive excused absences from school.
2. Medical appointment: If a student is absent from school due to a medical appointment, a written statement from a health care provider indicating the date and time of the appointment must be provided.
3. Death in the immediate family.
4. Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service is observed.
5. School-sponsored event or educational enrichment activity that is not a school-sponsored event, as determined and approved by the principal. The student must receive advance written permission from the principal or the principal's designee.

Examples of special events include public functions, conferences, and regional, state and national competitions.
6. Court appearance of the student, subpoena by law enforcement agency, or mandatory court appearance.
7. Other individual student absences beyond the control of the parent/guardian or student, as determined and approved by the principal. The principal shall require documentation related to the condition.

Unexcused School Absence
Any absence that does not fall into one of the above excused absence categories shall be considered unexcused. Any student who has been absent from school will be marked unexcused until they submit the required documentation as specified above. **Failure to provide required documentation within three (3) school days upon the return to school will result in an unexcused absence.** Unexcused absences include:
1. Vacations, personal services, local non-school event, program or sporting activity
2. Older students providing day care services for siblings
3. Illness of others
4. Non-compliance with immunization requirements (unless lawfully exempted)

Attendance Review Committee
The Attendance Review Committee is comprised of a minimum of a student services representative and an administrator or designee and will provide guidance and support to students with significant absences. They are expected to:

1. Provide early intervention by convening when students reach an accumulation of five (5) unexcused absences.
2. Convene a minimum of six (6) designated times per year.
3. Consider all extenuating circumstances surrounding student absences. The Attendance Review Committee is charged with the responsibility of prescribing activities designed to mitigate the loss of instructional time and has the authority to recommend the following:

    a. Issuing of quarterly, semester or final grades.
    b. Temporary withholding of quarterly, semester or final grades. The following are among possible options:
        i. Make-up assignments
        ii. Attendance probation for the following grading period(s)
        iii. Completion of a school service project
    c. Permanent withholding of quarterly, semester, or final grades and credit. The student is to be informed of his/her right of final appeal to the area superintendent or designee.
4. Review attendance history for student exhibiting patterns of excused and/or unexcused absences and provide appropriate referrals and counseling support.

Before/After School Care Program & Middle School Enrichment After School Program
For those parents considering going back to work and/or are presently working, Miami-Dade County Public Schools will offer After School programs on school days. M-DCPS offers low-cost Before and After School Care programs that serve Elementary, K-8 Center, and select Middle School students. Each of these programs are staffed with state certified instructors, program

managers, or activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

After school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts but are only offered as needed. Parents should check with their child's school for specific program start times.

All after school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Before-school care programs provide supervised, quiet activities for students.

Bring Your Own Device (BYOD)
Bring Your Own Device allows students, parents, staff, and guests to utilize technology devices at specified times during the instructional day to enhance the learning experience, subject to requirements set out in the District's Network Security Standards. Examples of the types of technology which can be used are Windows laptops/tablets or Android tablets. More information about the BYOD program as well as minimum device specifications for those that are considering purchasing a device can be found at https://digital.dadeschools.net

Bullying Prevention
Miami-Dade County Public Schools is committed to providing a safe learning environment for all students and therefore all allegations of bullying/harassment are taken seriously. When concerned about bullying or harassment behaviors, contact your child's teacher immediately. You can verbally report your concerns and/or fill out the Bullying and Harassment Reporting Form. If the problem should continue to persist, notify the school's principal. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services staff at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. - 4:00 p.m., Monday through Friday. Students and parents may also report bullying through our District's anonymous online bullying reporting system available on the student and parent portals. Additional information regarding bullying and harassment can be found on the Student Services website.

Clinic
Students who are feeling ill may be sent to the clinic until their parent or guardian is contacted to pick him/her up from school.

Closing of School
The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct
The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and corrective strategies for student misconduct . Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force at school, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property, or when the student's off-campus conduct has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents/guardians having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by visiting codeofconduct@dadeschools.net If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Comprehensive Student Services Program

The Division of Student Services implements the Comprehensive Student Services Program, serving students from Pre-K to Adult. Through collaborative efforts with community agencies,

students' academic, personal/social and career development needs are addressed through a team-based approach. An integrated team of uniquely trained Student Services professionals deliver direct services to students. These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready.

The Comprehensive Student Services Program supports student achievement through effective prevention, intervention, and crisis response services. For more information, please contact the Division of Student Services, at 305-816-0436.

Detention Hall

As one of the consequences for an infraction of the Code of Student Conduct, NBB has established a weekly detention hall. The detention hall is scheduled for Wednesdays from 1:55 pm to 2:55 pm.

The following are **some** of the reasons detentions may be issued:

- Student in an unauthorized location/failure to report to designated area
- Cafeteria disruption
- Tardies
- General disruption/misconduct in class
- Uniform violation

The following are the rules established in detention hall.

- Transportation is the responsibility of the parent.
- Students must report on time to detention hall. Students arriving late will not be admitted.
- If a student is absent on the day of their detention, they must make-up their detention on the following detention date.
- Failure to complete the detention or misbehavior in detention hall will result in additional/multiple detentions and/or additional disciplinary action.

Please note that multiple detentions may result in additional disciplinary actions or loss of privileges (field trips, reward day, class celebrations, etc.).

Discrimination/Harassment

The School Board has a prohibition against discrimination and harassment based on age, citizenship status, color, disability, ethnic or national origin, Family Medical Leave Act (FMLA), gender, gender identity, genetic information, linguistic preference, marital status, political beliefs, pregnancy, race, religion, retaliation, sex, sexual harassment, sexual orientation, social/family background, and any other basis prohibited by law. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe or pervasive. For more information, please contact CRC at (305) 995-1580 or visit http://hrdadeschools.net/civilrights.

The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical hurt or psychological distress on one or more students. Complaints of bullying should be reported to the principal promptly. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. – 4:00 p.m., Monday through Friday.

Safety and Security

- ***Emergency Drills***
  Six emergency drills, to include active shooter, hostage situations, bomb threats, and other potential emergencies will take place during the school year in accordance with Florida Administrative Code 6A-1.0018(16). All occupants of a building where an emergency drill is held are required to participate. One active assailant drill must take place within the first 10 days of the opening of schools, whereas all remaining drills must occur at least once every 4 nine (9) week reporting period. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the District Emergency Operations Plan (EOP) and shall include developmentally appropriate and age-appropriate procedures.

- ***Emergency Operations Plan***
  Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The EOP was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, and bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary, the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:
    - Remain calm;
    - Monitor media outlets for updates and official messages from M-DCPS;
    - Do not flood the school with telephone calls; and
    - Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors, and all MDSPD Police officers have been trained on the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- ***Fire Drills (Evacuation Drills)***
  Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm activates, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly using - the prescribed route. Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- ***Standard Response Protocol***
  Miami-Dade County Public Schools adopted the Standard Response Protocol and uses the Standard Response Protocol (SRP) to communicate during emergencies or critical incidents. The SRP is a set of five actions using clear common language that everyone in our school, including students and staff, follow in case of an emergency or critical incident. These actions are HOLD, SECURE, LOCKDOWN, EVACUATE, and SHELTER. Refer to the Appendix to access the SRP Parent/Guardian flyer (Appendix "F"). In addition, parents/guardians can also access the SRP flyer in the parent portal.

- **Behavioral Threat Management**
  Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat management overseen by a District Threat Management Coordinator. Schools must establish School-Based Threat Management Teams comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services as applicable. Threat management and disciplinary procedures are separate processes. Regardless of whether a threat is determined to low, medium and high, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- ***Visitors***
  Students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome to visit a school, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. Before school begins, parents/guardians of all students eligible for bus transportation should log on the BusPlannerWeb and view the bus assignment. The information is updated nightly, and a link is provided on the parent portal. Parents/guardians are encouraged to check the BusPlannerWeb throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Student Records

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian, or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Telephone Messages

Instructional time will not be interrupted to deliver telephone messages to students. Only an emergency would justify interrupting a classroom to deliver a message. Since the identity of a caller cannot be verified over the telephone, in the interest of your child's safety and protection, we will not deliver messages or changes in directions about going home. Any changes to the dismissal of your child must be given in writing to your child's teacher by the beginning of the school day. Students are not permitted to use the office telephone unless an emergency arises or they have been requested by their teacher to do so.

The M-DCPS Parent Academy

Parents can participate in virtual and in-person sessions that are aligned to their needs and convenient to their homes and workplaces. APPENDIX F – Standard Response Protocol

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:
- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:
- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:
- Return to inside of building
- Do business as usual

Adults and staff are trained to:
- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:
- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:
- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:
- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:
- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:
- Tornado
- Hazmat

Safety Strategies might include:
- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:
- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:
- Appropriate Hazards and Safety Strategies
- Accounting for students and adults

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

"Get Inside. Lock outside doors"

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

"Locks, Lights, Out of Sight"

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the "Muscle Memory" associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.
